The screenshot shows a software interface for a Hamburgeseria Tpv. At the top, there is a header bar with a blue circular icon containing a white question mark on the left. To its right, the text 'Nº Pedido: 1' is displayed. Below this, there are two radio buttons: 'Local' (which is selected) and 'Para llevar'. Below the header is a shopping cart window titled 'Cesta'. Inside the cart, there is a table with two columns: 'Producto' and '.Precio Ud'. The table contains two rows of data: 'M.Grande' with a price of '14,99' and 'Tarta' with a price of '5,5'.

Producto	.Precio Ud
M.Grande	14,99
Tarta	5,5

- The selected products will be shown in the shopping cart, showing name and price.
- The current order number will also be shown above and can also be selected if the order is for local or take-away.
